

Understanding Peanut Allergies

When Binky discovers that he's allergic to peanuts, in the Arthur episode "Binky Goes Nuts," he has so many questions:

Will he be forced to live without his favorite foods?

Can he still eat lunch with his friends?

What can he stay peanut-free?

Binky learns how to read food labels carefully and how his friends can help. Most of all, he learns that the more you know, the easier it is to stay safe and get back to having fun!
