Nocan the Contrarian

Cut along dotted line

Seymour Smooth

Seymour is a slick con artist with his own TV studio. He's the city's latest villain and the ultimate game show host. His shows include, "Answer All My Questions and Win Stuffl", "Wishful Thinking" and "Win a Shiny New Car." If the titles of his shows aren't suspicious enough, just watch out for his gleaming white teeth and shiny pompadour. With a zing and a smile his teeth can blind you while he gets away. A quick flick of his hair and you'll be covered in game show host strength hair qel.
