TJ is Becky's 7-year-old brother and the biological son of Tim and Sally Botsford. He's super excited about everything!!! TJ idolizes WordGirl. In fact, he's the President and founding member of The Official WordGirl Fan Club, Little does he know WordGirl is his sister, Becky. TJ thinks the fact that WordGirl flies and lifts supertankers is awesome!!! Becky constantly reminds him, "yeah, but she's super smart, too!" TJ answers, "Super smart can't see through walls." Becky just sighs.
